The screenshot shows a web browser displaying the Morisky.org website. The page features a large header image of two men in business attire looking at a device, with the text "MORISKY WIDGET PHASE OUT" overlaid. Below the header, the title "Morisky Widget is DEAD. Morisky.org" is displayed. The page content includes a date of 5/21/2022 and a section titled "The Morisky Widget MMAS-8 medication adherence and medication reconciliation software is NOT an authorized medication adherence tool by Dr. Morisky." It further states that Steve Trubow is not authorized to license MMAS 4 and 8 and has maliciously infringed the MMAS scales. A red warning text states: "Any use by anyone of the Widget must immediately contact us to transfer their services to the MMAR platform, or they will be subject to potential copyright and trademark infringement actions against them." At the bottom, there is a sidebar with the "USPTO .report" logo and links for "Trademarks", "Patents", and "Copyright". The main content area below the sidebar is titled "Trademark Application Details".

MORISKY WIDGET PHASE OUT

Morisky Widget is DEAD. Morisky.org

5/21/2022 0 Comments

The Morisky Widget MMAS-8 medication adherence and medication reconciliation software is NOT an authorized medication adherence tool by Dr. Morisky. Steve Trubow is not authorized to license MMAS 4 and 8 the defunct Morisky widget (Morisky.org). Trubow has maliciously infringed the MMAS scales in his Global Medication Reconciliation Form (GMRf; medicationsafety.healthcare), now the subject of federal lawsuit.

Any use by anyone of the Widget must immediately contact us to transfer their services to the MMAR platform, or they will be subject to potential copyright and trademark infringement actions against them.
